.... We Can Deliver Your Exit Strategy.

When the owners of these upstate New York based heating oil companies decided to sell, they sought the services of a special kind of business brokerage company. A firm, who not only understood the ownership requirements of a business like theirs, but one that could develop an effective marketing strategy designed to attract the maximum number of qualified buyers.

That's why they turned to **Capital Business Advisors**. Here's how we helped them achieve a successful sale. We:

- **Analyzed** the business to arrive at a suitable offering price and terms of sale.
- **Prepared** a persuasive presentation package highlighting business strengths.
- **Identified** and screened numerous prospective buyers who recognized the market opportunity.
- **Negotiated** on our client's behalf to structure the best possible deal to meet their needs.
- **Achieved** a successful closing and trouble-free transfer of the business.

Capital Business Advisors is the region's leading business brokerage firm specializing in the confidential sale of privately-owned businesses such as yours. Our experienced team of business sales and acquisitions specialists have the "know how" and resources necessary to get you over the finish line.
